Sage UBS version 9.9.4.6

Release Date:
24th May 2019

V9.9.4.6 Updates

The following enhancement is being released:

- **Enhance License Service folder**

Enhance License Service Folder

In this version, we had enhanced the license service folder to be compatible for all Sage UBS products.

This enhancement is to address the scenario where user is not able to access into Sage Payroll 9.9.5.2 and received error message "License not found" after updated Sage UBS version to v9.9.4.5.

Affected Sage Payroll licenses:

- Sage Payroll Trial License
- Sage Payroll 15 Employees
- Sage Payroll 30 Employees
- Sage Payroll 60 Employees
- Sage Payroll 100 Employees

With this enhancement, user will now be able to successfully access Sage Payroll 9.9.5.2 and Sage UBS 9.9.4.6 without error message prompted on the license.
